

A Christmas party to remember...

By Order of The Peaky Blinders your presence is demanded at Tommy Shelby's house, for Christmas at Arley Hall, Cheshire.

Bring your crew, dress to impress and leave your gear at home, this will be a night to remember for all the right reasons.

Tommy invites you to his gaff, into his office, and his dining room. When he's done, you can leave via the Olympia stables and barns where you can eat, drink and be merry to some great music.
