@LKJONESPHOTOGRAPHY

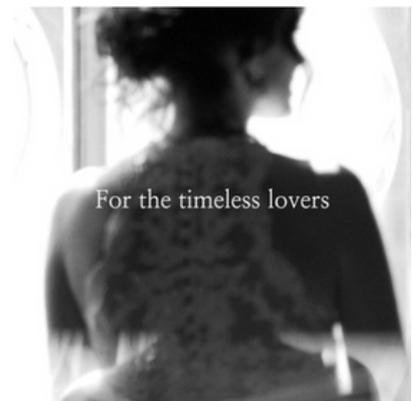

Romantic, documentary led wedding photography with an editorial edge, capturing genuine moments in a calm, natural way. My approach is rooted in storytelling, connection, and atmosphere. Love Lauren x

@PRIESTLEYPIX

I've been a recommended photographer at Arley Hall for almost 15 years shooting relaxed and creative work. It remains my favourite place to photograph weddings. Inside and out, good weather and bad, summer or winter it really doesn't matter, it always delivers wonderful pictures.

@BRETTTHARKNESS

"I have been photographing Weddings throughout the UK for over 20 years. Renowned for my beautiful, honest & colourful imagery. Nowhere is too far , no wedding too big or small."

07516 783512

@JULIANVOIGTFILMS

To craft a well told story in a wedding film, you have to get to know the couple. To capture authentic natural emotions and moments throughout the day, you have to blend into the background and film in an unobtrusive way. This is my approach to Wedding Filmmaking.

@ROBERTPAGEFILMS

Timeless wedding storytelling, with beauty, emotion & soul. Classic, candid films made naturally.

07912 933664

@EWERRROBERTSFLOWERS

Every bride is different and we love creating flowers that are perfect for each occasion. From Marquee to Tipi, hotel to stately home, village hall or even on the beach we love variation and love the challenge no matter how big or small.

07970 927161

@MAGGIESFLOWERS1

Over the few years we've gained a reputation for creative excellence and quality, we'll take you on a creative journey; from the first mood board to the last petal, every detail carefully considered to turn your dream wedding into a reality.
